The suggested retail prices are only given as guidelines. You are free to sell the products at any price according to your marketing arrangements.

You have also requested a mass market type cream for all skin types. We have an excellent stock formula 'Advanced **Daily Moisturizing Cream**' which should exactly suit your requirements. As discussed, this product can be packaged in a 2 fl. oz white double walled plastic jar with a white dome top with a silver band. For this style of packaging we are pleased to quote (valid for 30 days):

We look forward to servicing your product requirements: info@rocciparis.com or info@rochelab.com
